

Marking of DIP & Pack crates

Please note the below rules for the crates and markings of trophies in the condition “DIP & pack” / “Salted”.

- Make sure the AWB number/container number/vessel number, the consignee and shipper are visible written on the crate.
- Please make a green mark on the crate. It can be a painting green like the below picture or a green paper glued on the side of crate. The green color is to make it clear for the veterinary this is “ABP CAT 3” product.
- Please write the following sentences clearly on the crates “NOT FOR HUMAN CONSUMPTION” and “ABP CAT 3”. On the next page you find a printable version you can add to the crate.

If you have any questions, please feel free to contact Global Trophy Logistics.
